

## Sowatec AG becomes part of the CONVOTIS Group

We are pleased to announce a significant change in our corporate structure today. As of January 1, 2024, Sowatec AG will become part of the CONVOTIS Group. This strategic decision was made to expand our capabilities and resources, allowing us to offer you even better service and support.

Despite this new development, we want to emphasize that Sowatec AG will continue to operate as an independent company under the name "CONVOTIS Financial Solutions AG". The merger with the CONVOTIS Group allows us to access a wider range of resources and expertise without leaving our roots in Switzerland. This means that you can continue to benefit from our reliable products and services that have proven successful in the past.

The CONVOTIS Group is an established company specializing in software development, IT services, and consulting. Through this collaboration, we can offer you an even more comprehensive range of solutions and services to continue promoting your business success.

David von Wartburg will leave the company at the end of the year to pursue new challenges after the successful restructuring of Sowatec in recent years. We would like to thank David von Wartburg for his commitment as CEO and wish him all the best in his future endeavors. From the New Year, the operational management will be jointly taken over by José Lopez, CEO CONVOTIS Switzerland, and Roger Rhyner, COO. The existing management team (Roger Rhyner, Nathalie Birchler, Fabrice Castelein & Andreas Hütt) will be complemented by Michael Keinersdorfer as Sales Director CONVOTIS Switzerland.

Our dedicated employees remain the same, and you can rely on us to continue maintaining the highest standards in terms of quality, service, and customer care. We are confident that we can continue to offer you first-class solutions in the future.

If you have any questions about this merger or our services, please do not hesitate to contact us. We are here for you and are available to provide information and support. You can reach us from January 1, 2024, through the following contact options:
